

The logo for the University of Bordeaux features a blue diagonal stripe in the top-left corner. The text 'université de BORDEAUX' is centered. 'université' is in a dark brown sans-serif font, with blue accents on the 'u', 'e', and 'i'. 'de' is smaller and positioned below 'université'. 'BORDEAUX' is in a larger, bold, dark brown sans-serif font.

Organization

7 2-hour classes

last class: mini-symposium

Objectives

- Scientific communication in English
- Understand the main features of research articles
- Get the tools to give a clear oral presentation
- Practice interacting with your peers on topics related to your field

ORGANIZATION

→ 7 classes:

- 6 classes: getting ready for presenting your research project in March (last 3: share an internship, a research project you have had)
- 1 class: student presentations and questions from group (mini-symposium)

Formatoile

- Information
- Resources
- Class material
- Quizlet to build up vocabulary

Evaluation

- Continuous assessment
- active participation: attendance, oral participation, efforts to progress or help other students in class
50%
- oral presentation
50%

Final Oral Presentation 31 March

- 8 mins speaking time per student + Q&A (7 minutes)
- Present your Master's research project (Background + justification of topic choice + objective and methods)
- Your sources should be in English
- Use slides that will help you communicate clearly on the subject

Previous internship/research projects

- 23 February: Loriane, Michael, Vincent
- 2 March: Jordan, Marie Amélie, Thais

Sum up what you did in your last internship: where was the placement? what were your main tasks? What did you learn? If you want/can, present a case that was particularly interesting and you would like to discuss.

You can also choose to present a research project you have worked on.

Be ready to

- answer the group's requests for more details.
- talk without reading a script.
- use paper slides.
