

CLIVE WEARING

Before you watch the video, ask your partner :

What do you know about memory ?

Pathologies affecting memory ?

What is anterograde amnesia ?

Retrograde amnesia ?

Do you know of a famous patient with memory problems ?

Now, watch the video and take notes

What do you learn about Clive Wearing ?

Why can't he live alone ?

Where did he spend time ? Where is he now ?

Who visits him ? What happens everytime she visits ?

What do neuropsychologists do to help him ?

What does the neuropsychologist explain ?

What kind of questions do they avoid and why ?

What do they ask him ?

Describe the « tea-time » moment : 4.20

What does his wife say concerning the diary ?

What about his diary ? Explain why the entries are crossed out
