

DEBATING

|  |  |                                       |   |  |   |
|--|--|---------------------------------------|---|--|---|
| One of the arguments in favor of.../against... | As he/she explained...                       | I would like to add...                | There are 2/3... main issues:                   | I agree/disagree with X when he/she says that... | There is no doubt that...                         |
| I am convinced that...                         | It is quite clear to me that...              | Anybody can see that...               | You can't deny that...                          | Could you please repeat/explain...?              | Do you really mean that...?                       |
| You seem to be forgetting that...              | That's absurd, ridiculous...                 | That's beside the point.              | I am in complete agreement/disagreement with... | There is little doubt that...                    | In my opinion, ...                                |
| The example about... is irrelevant because...  | I'd like to support the points brought by... | Could you specify what you mean by... | To summarize what I have just said:             | In conclusion, ...                               | There were 2/3 important clashes in the debate... |
