

BUILDING UP VOCABULARY

PLAN FOR PRESENTATIONS

1st date: **19 November** (Coraline, Marie-Tim)

6 November: class on Giving Good Presentations

12 November: preparing first debate (everybody will prepare arguments for debate and turn in a 1/2 page summary, speakers will also provide a bibliography on PPT)

Other dates: **4 December** Elise, Marie and Camille, and **9 December** Baptiste, Mathilde; Stéphanie, Laura and Roxane.

Collaborative Reading

- Answer the questions related to your text.
- Be ready to sum up its key ideas with your own words.
- Now collaborate with your partners to have all the answers you need.

The conditional

If it **rains** tomorrow I **will** need an umbrella.

If it **rained** I **would** need an umbrella. **it is not raining now**

If it **had rained** I **would have needed** an umbrella. **it did not rain**

Practice exercise on your worksheet

In the laboratory

- Listen to the extract (A or B) you have been allotted and gather useful details to complete your worksheet.
- Back in class, debriefing with other students who have listened to the same extract.
- Meet someone who has listened to the other extract: tell each other what you have understood.

HOMEWORK

- Add vocabulary cards to QUIZLET
- Find a subject for your presentation
